

# **BOUNDARY COUNTY SHERIFF'S OFFICE**

**David Kramer, Sheriff • Rich Stephens, Undersheriff**

## \*\*\*\*\*PRESS RELEASE\*\*\*\*\*

03/17/2020

Beginning Wednesday, March 18, 2020 the Driver's License Office will be closed until April 1<sup>st</sup> to protect our employees and the public from any potential contractions of the Coronavirus. We will re-address this need the March 30<sup>th</sup> and determine at that time if the situation warrants additional time.

ITD has issued 90- day extensions on expiring credentials and encouraging the public to use their online services.

The 90-day extensions apply to regular driver's licenses only. If your driver's license expired or is expiring between March 1<sup>st</sup> and May 31<sup>st</sup> of 2020, you will have until June 30<sup>th</sup> 2020 to renew. Commercial drivers, however, do not fall into this 90-day extension and will still have to be seen at your local office.

Boundary County Driver's License Office will be making appointments for commercial drivers to facilitate your renewal need.

If you need to renew your commercial drivers license you will need to call (208)267-3151 extension 204 to make your appointment.

Driver's license online services is located at: <http://itd.idaho.gov/itddmv>

In addition:

We will be extending expirations on concealed weapons permits that are expiring within this time frame. New concealed weapons permits will be accepted after the closure is lifted.

Visitation for inmates currently incarcerated within the Boundary County Jail is also suspended until further notice.

Fingerprinting for non-criminal applications is also suspended until further notice.

With our current Nationwide situation being so fluid we will keep you posted on any additions to this as the needs arise.

Thank you for your understanding in this critical situation.

Sincerely,

Sheriff David Kramer
