**WAIVER**

I understand that there are always some risks that are present in making an apprehension, and that this is true of law enforcement officers apprehending juveniles who have run away. I understand that the child may be in an emotionally upset condition right now and might, in that condition, do something foolish and thereby hurt himself/herself. As long as any apprehending officers use reasonable caution and common sense in attempting to apprehend the child, I agree to hold them harmless from harm that may come to my child in the attempt to apprehend him/her. I also agree to hold Boundary County, Idaho and that City of Bonners Ferry, Idaho equally harmless. I have written in my application all factors that I wish to have the officers take into consideration in apprehending the child, I have not hidden any information from them that might bear on the issue of how best to sagely apprehend the child. I want the child apprehended as soon as possible. I also want to be immediately notified of his/her apprehension. I will come to get him/her as soon as possible where ever he/she is located.

DATED this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_.
